

ROCK ISLAND LOOKS TO AUGIE GAME WITH WESLEYAN

Wesleyan's Game at Rock Island Field Will Be Either Making or Breaking of Conference Leaders.

With practically every team in the Illinois intercollegiate athletic conference in action this week-end, there is but one game scheduled which is expected to furnish any important results on the conference championship race, and that is the Wesleyan-Augustana game which will be played at Rock Island tomorrow.

Augustana's decisive defeat of Lombard and Heddington entitles the "Vibron Swedes" to more than passing consideration in the championship race. With a team composed of veterans, the Augustana eleven has sprung from a place of obscurity to one of the leading contenders for the conference title, and tomorrow's game will be either the making or the breaking of Wesleyan or Augustana.

Wesleyan still in race.

Wesleyan's 21 to 14 defeat at the hands of St. Viators will not eliminate the Methodists from the championship race, as it is said to be probable that the game will be thrown out at the conference meeting, as charges of ineffectuality and professionalism have been leveled against several of the St. Viators players. The game was the roughest ever seen on the Wesleyan field.

Three St. Viators players being ejected from the game for slugging. Wesleyan looked like real champions in the first half, scoring 14 points to the visitors' none. In the second half, several Wesleyan stars were forced from the game by injuries and St. Viators came back strong, scoring the winning touchdown in the last minute of play.

But one game is scheduled for today, that being between Western Normal and Eureka at Eureka. Eureka has been showing improved form in each game, their 64 to 0 victory over Carthage last week indicating that the Christians have developed a strong offense. Eureka is expected to win this game, although Western Normal must be fairly strong as shown by the result of last Saturday's game when they held the strong Notre Dame university to a 42 to 0 score.

Bradley vs. Millikin.

Bradley journeys to Decatur tomorrow to play the strong Millikin university eleven. Bradley has shown great improvement as evidenced by their 37 to 0 victory over the strong Lincoln college team last Saturday. However, Millikin is expected to have little difficulty disposing of the Peoria eleven, the Decatur team having shown championship caliber in their first two starts, defeating St. Viators, 20 to 0, and State Normal, 107 to 0.

Illinois college eliminated from the championship race last Saturday by losing to Lombard, 21 to 7 on the Lombard field. Coach Harmon has a veteran team and had hope of annexing the conference title but Saturday's defeat has put the Jacksonville school out of the running.

The Illinois eleven invades Normal Saturday to battle the green State Normal university team. This game is expected to furnish nothing more than a practice tilt for the Harmon tribe, Normal having the poorest team in the history of the school.

Lombard vs. Monmouth.

Lombard travels to Monmouth Saturday to tackle the Monmouth college eleven. Lombard should win this game as Monmouth is not so strong this season, having lost to Coe college last week by the score of 34 to 0.

Wheaton college eleven goes to Lake Forest tomorrow to engage the Lake Forest gridsters, but this game will have no effect on the conference standing, inasmuch as Lake Forest has not joined the conference teams with but two conference games this season, and as a result cannot be figured in the conference race.

Knox will journey to Mt. Vernon, Iowa, next Saturday to battle the Cornell college eleven, but as Cornell does not belong to the conference, the result of this game will not figure in the championship race.

ILLINOIS OPENS CONFERENCE VS. IOWA SATURDAY

Iowa Favored to Win, Although Illini Has Powerful Machine Around Last Year's Nipolan.

ILLINOIS SCHEDULE.
Oct. 16—Iowa at Urbana.
Oct. 20—Michigan at Ann Arbor.
Oct. 26—Minnesota at Urbana (homecoming).
Nov. 6—Chicago at Chicago.
Nov. 12—Wisconsin at Madison.
Nov. 20—Ohio at Urbana.

Urbana, Ill., Oct. 15.—Illinois opens her conference schedule Saturday when the strong Iowa squad, led by Coach Jones, comes to Illinois field for a game which may prove to be the championship battle of the western conference year.

The loser of the game will be eliminated from the conference race, while the winner will have an even chance at whipping the remaining ones on its schedule.

To Use Hittest Strategy.
Both Coach Jones of Iowa and Coach Zappke of Illinois realize that everything depends upon the result of the game, and both will be ready to turn every trick in the football category to enable his team to leave the field victor.

Sport writers from throughout the central states expect this clash to be one of the season's topliners and are consequently journeying to Urbana to witness the event.

Iowa Is Favored.
Early dope points more favorably to Iowa. The visiting team is almost intact from last year and has piled up top-heavy scores in early season games. Illinois, on the other hand, in addition to losing many valuable men off last year's championship squad, is handicapped by scholastic difficulties and early season injuries.

However, the well known Illini fighting spirit must be taken into consideration and may be sufficient to overcome any advantage which Iowa seems to have.

Expect Big Crowd.
Indications point to a large crowd for Saturday. The state Rotarians will attend in a body. Hundreds of seats have already been sold. "But there will be plenty for everyone," says George Huff, director of athletics. Seats for any game may be secured by writing Mr. Huff.

Son Wants Father "To Take It Easy"

Kankakee Citizen, 70 Years Old, Been Troubled for Seven Years With Catarrh, Rheumatism, Lasy Liver and Disordered Stomach.

Glad to Relate His Experience With the Best and Best Medicine, Drees For the Benefit of Others.

"I have only taken one bottle of Drees so far, and it has done me a world of good. Why, I can eat a regular, full sized meal now without any bother from gas; am no longer bilious, bowels move naturally; have no more of those rheumatic pains in my legs, catarrh is relieved and I feel so much better," said James H. Brasier, who lives at 320 West Court street, Kankakee, Ill. Continuing, he said:

"Before I took this splendid medicine my legs were crippled up with rheumatism so that I could hardly get about. There was a constant dripping from the back of the nose into my throat which kept my stomach irritated and caused my food to sour and ferment until I almost burst with gas. It took me half a day to clear my throat and head."

"I am 70 years old and my son thought I ought to stop working and rest up, but I've been an active man all my life and I don't feel like quitting. Why, since taking Drees I feel as able as the best of them."

After taking Drees it is noticed that the bowels begin to move free and easy; the kidneys get regular and the lazy liver takes on new life. The stomach assimilates the food without producing gas and pain, and the whole system feels rejuvenated. Drees is a great blood builder and purifier.

All druggists now sell Drees and it is being especially introduced in Rock Island by Riese's drug store. (Adv.)
